

**Position Description/Announcement**  
Lecturer, Department of Geology  
Southern Illinois University Carbondale

The Department of Geology, Southern Illinois University Carbondale, announces an opening for the position of Lecturer for the fall, 2018 and spring, 2019 semesters (9-month term, non-tenure-track appointment).

**Duties:**

Duties include teaching and administrative work relevant to courses in Structural Geology (Geology 302), Petrology (Geology 315), a beginning course in earth history for non-majors (Geology 121), a physical science course for students in elementary education (Science 210), and a beginning course in geology for majors (Geology 220). Duties also include coordinating the Department Teaching Assistants.

**Qualifications**

Master's Degree in geology or closely-related field; Ph.D. preferred.

**Effective Dates of Appointment:** August 16, 2018-May 15, 2019.

**Application Deadline:** July 9, 2018 or until the position is filled.

**Application Procedure:** Applicants should submit a curriculum vitae, a statement of teaching background, and complete contact information for 3 references to:
